We aim to improve the outcomes for all children across our Multi-Academy Trust and continue to improve our base school outcomes.

This will involve being consistent and successful in:

- Ensuring that children in the Early Years Foundation Stage achieve a Good Level of Development by the end of EYFS.
- Ensuring that all children regardless of their starting points achieve above national expectations, the proportion of children making better than expected progress is at least in line with national expectations and the percentage of children making better than expected progress is at least in line with national expectations.
- Ensuring that children in our schools have the added value and opportunities in curriculum design through partnership with a variety of key stakeholders and providers.
- Supporting all of our academies to achieve a positive Ofsted outcome and hunger to improve still further.
- Ensure that the families surrounding our children have access to the best possible education opportunities for their children.

Trust Values

- **Personal Growth**
- **Honesty**
- **Mutual Respect**
- **Ambition**
- **Teamwork**

Trust Vision Statement

We aim to provide outstanding education to enable every child to succeed at all levels. Through a clear vision which drives strategic direction, we endeavour to be recognised as a Trust that retains and grows robust leaders and governance by suitably equipping them to make substantial improvements at pace, putting the children's well-being, safety and education at the heart of every decision.

By establishing a sustainable framework for continuous improvement and professional growth, we will provide learning of the highest quality for all stakeholders, enabling success for everyone.

Accountability for Decisions

The Trust Board delegate authority to three key groups in order to ensure the effective leadership and governance of the Academy Trust.

The three key groups are:

- **Perry Hall Multi-Academy Trust Executive Education Team**
- **Perry Hall Multi-Academy Trust Central Team**
- **Local Governing Bodies**

The relationship between the Trust Board, the Executive Team, and the Local Governing Bodies is characterised as a partnership to realise a common vision and a common purpose. In the case of the two tiers of accountability the relationship between the three tiers of governance is also based on the principles of:

- No duplication of governance
- Governance should be as close as possible to the point of impact of decision-making

The Scheme of Delegation Matrix provides clarity as to who the decision makers are for different levels of decisions. Effectiveness of both management and governance is supported through clarity over who holds the decision-making responsibility and accountability and who supports and advises the decision makers.

Intervention

PHMAT will stand down a local governing body (LGB) and appoint an Interim Advisory Board (IAB) in one or more of the following circumstances:

- Identification of weak governance.
- In response to the outcome of an annual review of governance or Ofsted inspection.
- In response to the outcome of an Ofsted inspection where there is a rating decline, or an academy moves into a category of serious weakness or requiring improvement.
- A sudden or unexpected dip in the academy's mid-term performance.
- Any identified safeguarding concern within the academy.

On appointment of the IAB, the Local Governing Body is fully disbanded and all delegated responsibilities of the LGB transfer to the IAB with immediate effect. The main function of the PHMAT-appointed IAB will be to secure governance of the academy, developing a sound basis for improvement and will be in place until the trigger is removed. The Executive Team will work in partnership with an IAB to determine priorities and set targets.

PHMAT do not adopt a one size fits all approach and is committed to appointing IAB's which are small, focused groups. Members will be chosen on a case-by-case basis in accordance with the skill and knowledge and the needs of individual academies. The IAB will be responsible for the monitoring the quality of provision and standards of achievement within the academy by:

- Monitoring performance against targets set by the IAB.
- Monitoring the implementation of the policy framework set by the IAB and its impact on standards of achievement.
- Monitoring the academy self-evaluation and satisfying itself to the accuracy of this, including via external support as determined by the IAB.
- Ensuring the academy complies with statutory requirements.
- Providing robust challenge and support to the Head and SLT.
- Monitoring and evaluating progress towards post-inspection or review action points.
- The IAB will hold the Head and SLT to account, and be accountable to any interested party for the academy's performance by:
 - Receiving regular information from the Head and SLT on the performance of all aspects of the academy.
 - Conducting the performance management of the Head and monitoring progress towards agreed targets.
 - Ensuring that the annual academy prospectus meets statutory requirements.
 - Monitoring the implementation of the PHMAT Trust complaints policy.
 - Receiving appeals on issues relating to staff grievance, capability, complaints and exclusions.
 - Determining how the academy's relationships with key stakeholders will be

managed including what will be communicated, in what medium and how frequently.
